MEMORANDUM FOR: Director, Defense Intelligence Agency

SUBJECT: Intelligence Community Assistance Required in  
Support of the Production of the National  
Intelligence Bulletin (NIB)

1. As you know, the USIB has approved the establishment of the National Intelligence Bulletin (NIB) as a daily national product to replace the Central Intelligence Bulletin (CIB). As agreed, [ ] has been appointed as the managing editor of the NIB. [ ] intention to utilize the next month to complete NIB staffing and to conduct tests of NIB production procedures. It is his view that the NIB should be ready for full production about mid-May.

2. To assist [ ] in implementing this plan, I would appreciate it if you would nominate a senior officer to act as your in-house NIB representative. In addition, you are invited to assign an officer to the DCI staff to serve as assistant managing editor of the NIB. His duties will be those outlined in the USIB approved NIB proposal of 4 April. It would be helpful if this officer were to report to the NIB staff by the end of April.

3. I recognize that the military services will have an interest in some of the articles which will appear in the NIB. In this regard, I am in accord with your views that service participation in the NIB production process should flow through the NIB representative at your agency.

(Signed)
